1 Professional education

2004-2005	Position as state-certified geriatric nurse at Pflege- und Therapiezentrum Tittmoning, Germany, Deputy Head of the residential units
2001-2004	Training as a state-certified geriatric nurse, HWA Neuötting, Germany
2000-2001	Nursing assistant at Pflege- und Therapiezentrum Tittmoning, Germany
1999-2000	Civilian service at Malteser Hilfsdienst Traunstein, mobile social services, Germany

2 Academic Career

since 2016	Habilitation project, topic "Elderly people and technology". Institute for Gerontology and Demographic Development, Private University for Health Sciences, Medical Informatics and Technology (UMIT), Hall in Tirol, Austria
2009-2013	Doctoral studies Nursing Science, focus: Gerontology, at UMIT – Private University for Health Sciences, Medical Informatics and Technology, Hall in Tirol, Austria. Degree: Dr. phil.
2005-2009	Nursing Science studies at Evangelische Fachhochschule Nuremberg, Germany, focus: Gerontology, Graduate Diploma in Nursing Administration

3 Professional Activities

since 2018	UMIT Organizational Manager of the FH Bachelor Programme in Nursing
since 2018	Member of the RCSEQ (Research Committee for Scientific and Ethical Questions) (substitute member)
since 2015	Member of the Study Commission Nursing Science
2015 – 2018	Overall Organizational Manager of the Combined Nursing Studies
2014 – 2017	Member of UMIT's Senate (substitute member)
2012 – 2017	Member of the <i>workgroup for Equal Treatment</i>

since 2012	University Assistant at the Institute for Nursing Science, Private University for Health Sciences, Medical Informatics and Technology (UMIT), Hall in Tirol, Austria
since 2009	University Assistant at the Institute for Gerontology and Demographic Development, Private University for Health Sciences, Medical Informatics and Technology (UMIT), Hall in Tirol, Austria

4 International networking and activities

03-04/2019	Visiting Scholar at the University of Tokyo/Japan with Ikuko Sugawara, PhD (Institute of Gerontology).
02-03/2019	Visiting Scholar at the Flinders University Adelaide/ Australia with Dr. Tim Windsor (Director of the Flinders Centre for Ageing Studies; College of Education, Psychology and Social Work).
11/2015	Scientific exchange at the Akdeniz Üniversitesi in Antalya/Turkey with Prof. Dr. Ismail Tufan (Gerontoloji Enstitüsü).
10/2015	Scientific exchange at the Stanford University in California/USA with Prof. Dr. Norbert Meiners (Stanford Center on Longevity).
05/2011	Scientific exchange at the UMIT Hall in Tyrol/ Austria with Prof. Dr. Terence Seedsman (Victoria University Melbourne, Australia)
11/2010	Scientific exchange at the Akdeniz Üniversitesi in Antalya/Turkey with Prof. Dr. Ismail Tufan (Gerontoloji Enstitüsü).

5 Teaching experience

Within the framework of the Bachelor study program Nursing Science:

- Introduction to Nursing Science
- Theory of Science
- Ethics in Nursing Research
- Principles of Qualitative Nursing Research
- Quality Management
- Nursing Quality and Project Management for the implementation of research results in nursing practice
- Living in old age - Housing concepts
- Introduction to Gerontology - Aging Theories

Within the framework of the Doctoral study program Nursing Science:

- Qualitative Seminar on Methodology

6 Research projects

6.1 Ongoing research projects

MARIP - Modulare, standardbasierte Roboterplattform zur Alltagsunterstützung hilfsbedürftiger Menschen

Funding body: TWF - Tyrolean Science Fund
Project costs: 15.642,00€
Project period: February 2017 - November 2019

Aim of the project: In the project named MARIP (Modular AAL Robot Integration Platform), a humanoid robot system should be integrated in an existing AAL environment in order to dynamically and context-based support the everyday life of a person in need of care. A prototype system will be implemented and evaluated. This should investigate the benefits of the use of a humanoid robot to support the care for people and their related caregiving persons.

6.2 Completed research projects

AAL Testregion Westösterreich

Funding body: FFG - Austrian Research Promotion Agency
Project costs (UMIT): 194,400.00€
Project period: January 2014 - May 2017

Tourismus in Tirol unter dem demografischen Aspekt

Funding body: TWF - Tyrolean Science Fund
Funding amount: 6,500.00€
Project period: March 2011 - September 2012

Altern und Behinderung

Initiator: Soziales Zentrum St. Josef, Mils, Austria
Funding amount: 7,000.00€
Project period: May 2011 - December 2011

Evaluierung stationärer Pflege für das Land Tirol

Initiator: Province of Tyrol/Dept. for Social Affairs
Project costs (UMIT): 14,000.00€
Planned project period: January 2011 - September 2011

6.3 Non-approved research projects

HAALo - Innovative TecHnik für eine selbstsichere AlltagskommunikAtion im in-dividueLlen sOzialen Umfeld

Funding body:	FFG – Austrian Research Promotion Agency
Requested funds:	180,823.00€
Planned project period:	12 months
Partners:	4

ILSIK – Sondierung einer IKT-gestützten Lösung zur Stärkung der interpersonalen Kommunikation bei älteren Menschen

Funding body:	FFG – Austrian Research Promotion Agency
Requested funds:	216,919.00€
Planned project period:	12 months
Partners:	4

Mental Health for Quality Aging (MH-QAging)

Funding body:	European Union
Requested funds:	4,351,506.00€
Planned project period:	36 months
Partners:	16
